

Advertising with the Alabama Psychiatric Physicians Association

What can APPA do for you?

The Alabama Psychiatric Physicians Association is the only organization in the state reaching out to Alabama's psychiatric physicians and their practice managers.

With more than 250 active members, APPA is a growing organization believing in fluid communication through a traditional newsletter, *The Freudian Slip*, as well as a redesigned website to keep members in touch and up-to-date on the latest information.

That's great news for you as an advertiser!

The Freudian Slip

The newsletter, *The Freudian Slip*, is a professionally designed, biweekly newsletter e-mailed to all APPA members.

That's a potential 250 people viewing your ad in every issue.

Can you afford to lose that audience?

alabamapsych.org

If you're not online, then you're invisible... and you're missing a huge opportunity to reach a vast audience.

These days, we are reaching vast audiences online in a fast-paced world. Our "gimme-that-now" hurried lifestyles often allow for just enough time to log online to grab snippets of information before we dig our heels back into our daily workload.

APPA's newly redesigned website, *alabamapsych.org*, is reorganized with a special section called Classifieds to make your advertising easy to find.

As a bonus, when new ads are placed in the Classifieds section, a post is placed on the Home page so members and other viewers will know instantly by the Recent Posts sidebar.

We want your information to be seen.

The package.

Advertising with APPA is a two-fold process — **print** and **online**. We make sure all your bases are covered to give you the best exposure possible.

APPA's advertising package includes a one-month, 50-word, text-only ad online and in the newsletter for **\$175**.

Copies of *The Freudian Slip* newsletter and printed copies of the Classified and Blog Post pages online will be enclosed with your invoice as proof of advertising.

We will stay in touch with you to maintain accuracy in your advertising, but to also check the return on your investment. Advertising may be canceled at the end of the month.
